Minnesota Student Privacy Law

Greetings HCPA Families,

Hmong College Prep Academy (HCPA) uses a variety of digital tools to support student learning. Technology vendors and software are utilized to support work as we help all students develop the skills necessary to succeed in an ever-changing world.

We have an inventory of our curriculum, testing, and assessment tools posted at *https://www.hcpak12.org/domain/1181* and include an outline of the student data elements within each tool. This list is maintained and communicated annually to all families at the start of the school year.

HCPA Tech List

- Primero Edge
- School Cafe
- Application Gateway
- Back to School Gateway
- Dashboard Report App
- Document Viewer
- Registration Gateway
- Scanning Gateway
