News Letter

January, the first month of the year, is a time of new beginnings and fresh starts. It marks the start of a new year and is often associated with resolutions and goal-setting. We now have the opportunity to evaluate and enhance both our learning and teaching experiences.

UNIFORM POLICY

Students are required to be in uniform at all times. We encourage parents to support the school uniform policy. Students are expected to dress appropriately for school. Parents may be contacted if students do not dress accordingly. Please note what not to wear: Crocs, hats, sandals, hoodies, shorts, leggings, and T-shirts are not allowed.

If you would like to purchase uniform, please contact the main office (651) 209-8002 and set up a time to come in and shop.

DONATIONS: We are taking new or gently used uniform donations in the main office. There is a donation bin outside the main office.

FOOD

Welcome back, students and staff. The end of the year is, for many, a time for reflection on the past and aspirations for the future. It's January and the start of a new year, which means it's a great time to start focusing on eating healthy. Make 2024 your best year yet with one simple goal: Eat more fruits and vegetables!

Increasing your intake by just one more fruit and one more vegetable each day can help you reach that goal. This month's Fresh Fruit and Vegetable Program's fruit of the month is Apple and the vegetable of the month is Tomato. We have educational posters posted around the cafeteria and hallways.

CLASSROOM NEWS

E L E M E N T A R Y & S E C O N D A R Y

ELEMENTARY

The month of January highlights our Warrior Value of Perseverance: Warriors keep trying and working even when it is tough. Warriors never give up!

SECONDARY – PEP BAND

The Pep Band has been eagerly playing at HCPA home games. Under the supervision of Band Director Ms. Emma Grams, HCPA students have played pieces like “Sweet Caroline” and “Baby Shark,” along with HCPA’s new fight song. During games, several student-athletes did double duty and played on the court as well as in the band!

CLASSROOM NEWS CONT.

S O C I A L J U S T I C E & A S I A N H A T E

Have you seen the Anti-Asian Hate posters around the school? These posters were created by our 10th graders in World History class. After students learned about the Yellow Peril concern and how it has contributed to racism against Asian Americans, students made their own posters. The goal was for students to display their learning along with their stance on this social justice issue.

SPORTS

Middle School Basketball:

Middle school basketball is coming to the end of their season on February 5th in their annual game between the two teams. Both squads have played well this year with more wins than losses, and all who are involved have agreed this has been a great season.

High School Boys Basketball:

The boy's basketball team continues to grow. The very young team has put together several close games and is anticipating a strong finish to their year. Leadership is evident in all the players, and the coaches are ready for all the lessons to culminate in on-court success.

High School Girls Basketball:

The girl's basketball picked up their second win of the year by beating MSAD convincingly last week. Led by underclassmen and always pushing their opponents hard, these young women have given our school pride in their hard work and we are excited for the remainder of their season.

SPORTS

CONT.

Wrestling:

Partnering with Roseville High School for wrestling, HCPA's team has been outstanding this year, led by two very strong wrestlers. La Soe and Itachi Fang have broken into the starting lineup for the team. It's hard to believe both started learning the sport just a year ago. Both have won and lost at the highest level of wrestling this year, doing well in tournaments and matches.

ESports:

HCPA is proud to announce that our eSports team just finished third place in the state tournament for League of Legends, finishing a great season under coach Michael Seitz. This is a huge step for the team and the school, and we are all excited to see the team grow on this accomplishment. Our Valorant team also played well, winning two games in pool play before losing closely to the top team in the state to finish out a respectable season.

HEALTH OFFICE

The Health Office is seeing an increase in students coming into the health office due to not getting enough sleep. Students can work on these habits to promote sleep wellness at home:

- Stick to a regular sleep schedule
- Pay attention to what you eat and drink before bed
- Create a restful environment
- Limit daytime naps
- Include physical activity in your daily routine

Heath Office can be reached at 651-209-8004 or healthoffice@hcpak12.org

HUMAN RESOURCES

HCPA is now hiring for the 2024-2025 school year! If you or anyone you know is looking for a job in a wonderful work environment, please have them visit our website: <https://www.hcpak12.org/domain/91>
