ORDER YOUR 2022-2023 YEARBOOK TODAY!

We are actively taking orders and payments for yearbook purchases! The last day for yearbook purchasing will be **Friday, March 31st**. Orders can be placed online at ybpay.com. We are also accepting cash and check orders during school store hours. If you have any questions please contact Mr. Brent Ness at brent.ness@hcpak12.org.

UPDATES

SUMMER SCHOOL

HCPA will be offering summer school for all students grades K-11 starting June 20th – July 18th, 2023. Families may also register their kindergartener for Kindergarten Discovery Camp. This is for kindergarteners beginning in the Fall of 2023 with HCPA.

Summer school at HCPA is engaging, meaningful, and provides a similar experience like a regular school year. Summer school also provides opportunities for students to build academic, social, and emotional skills for the next school year. Families have the option to register electronically or can complete a paper form at the main office. Please see the links below for more information. If you have any questions, please email the summer school site coordinators below or call (651) 209-8002.

UPDATES

ELEMENTARY UPDATES

March's Warrior Value of the month is "Trustworthiness": Warriors can be counted on to do the right thing.

K-5 Literacy Night "Camp Read-a-Lot" has been rescheduled to Wednesday, April 12th from 5-7pm. The evening will feature special guests from The Works Museum, hands-on science activities, presentations, a photo booth, free books for all and a light dinner will be served.

STEAM NIGHT

HCPA STEAM Night will be on Wednesday, March 15th 2023 from 5 PM to 7 PM. STEAM (Science Technology Engineering Art and Math) Night is a fun and engaging family-oriented K-12 event designed to educate and promote STEAM education. If you plan on joining us on this day, please enter through the middle school front entrance as that will be our main point of entrance. If you have any questions, please contact us at 651-209-8002. Thank you.

CAREER FAIR

HCPA will be holding our annual Career Fair for students in grades 6-12 on Friday, March 17th. We will have various attendees sharing their careers with our students. HCPA parents are welcome to join their student explore careers.

COMMITTEE UPDATES

FOOD

Goodbye Winter! Hello Spring!

As the weather gets warmer, many fruits and vegetables peak in sweetness, texture, juiciness, and depth of flavor. Learning what is in season ensures you'll be able to eat the peak of the season's freshest offerings.

Eating seasonal fruit and vegetable produce is a great way to support a healthy life. This month's Fresh Fruit and Vegetable Program fruit of the month is Plum and our vegetable for the month is Cucumber. We have educational posters posted about the vegetable and fruit of the month around the lunchroom and classroom hallways.

SPORTS UPDATES

Basketball: Our boys and girls basketball seasons are over, with the boys basketball team bowing out to a tough Washington Tech basketball team in the first round of the playoffs. The season was an up and down affair that saw tremendous growth from our girls and continued hard work from the boys. All of HCPA is looking forward to what these teams can bring us in the upcoming year.

Spring Sports and Clubs: The end of winter sports leads us into spring sports, as badminton, boys volleyball, middle school volleyball, and flag football have started their initial practices. Along with these teams, HCPA will be offering a new track team this year that will compete in exhibition matches before transitioning to a full varsity sport next year. Students from 6th to 12th grade are all excited to show off their skills as the weather warms up, and their coaches are proud of all the hard work they have already done.

SPORTS UPDATES

Knowledge Bowl: Knowledge Bowl ended their season with another improved finish in the final meet, marking a gain in standings in each event this year.

Robotics: Robotics is advancing into their competition season, as Mr. Norby-White and Mr. Gonzalez are enlisting the help of community resources to help improve their growing squad.

Bass Fishing: Coach Jimbee Lee has selected his team from a large group of interested students and is now waiting for the lakes to thaw to take them out to start practices.

Spring Sports: As the winter season ends, students begin to look towards the spring sports, with badminton, boys high school volleyball, middle school volleyball, and high school flag football all beginning in March.
