

# Phonics

## 20 Days

Bend 1: Know and apply grade-level phonics and word analysis skills in decoding words

Bend 2: Know and apply grade-level phonics and word analysis skills in decoding words

Word Family Record sheet:

Read the poem. Use the guide words on the recording sheet to build new words in that word family.

For example:

Key Word: yell

1. \_\_well\_\_\_\_\_

2. \_\_sell\_\_\_\_\_

3. \_\_bell\_\_\_\_\_

Don't Yell At Me

Don't yell at me!

Don't yell at me!

I hate it when you do,

it makes me feel so miserable,

I want to run away from you.

I simply cannot stand it

when you scream into my ear,

if I knew how to do it,

I'd completely disappear.

Don't yell at me!

Don't yell at me!

I'll crawl away and hide,

I'll detonate to smithereens

or shrivel up inside.

Feel free to thumb your nose at me,

or wiggle all your toes at me,

or even ring a bell at me,

but please, please, please,

Don't yell at me!

## Word Family Record Sheet

Name \_\_\_\_\_

Key Word yell

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

Key Word how

Binky Barnes

When recess starts, I feel afraid.  
There's this kid in second grade...  
I hear he sat on Tom O'Connor.  
If he sits on me, then I'm a goner!  
He looks for kids to squish and crunch.  
He said he'd find me after lunch!  
They say he likes to pulverize.  
Wish he'd pick on kids his own size.  
Of course, there are no kids that big.  
I'll bet he snaps me like a twig.  
Oh, no! He's coming over here!  
I think I'm sick! I think I'm sick!  
He sees me now, he's almost here.  
I'm going to die! I'm going to die!  
Uh-oh, he's standing next to me.  
Should I even try to flee?  
I'd better pray.  
What did you say?  
You want to play?!  
Well gee, okay!  
I think he wants to be my friend.  
Too bad recess has to end.

Bear In There

There's a Polar Bear  
In our Frigidaire—  
He likes it 'cause it's cold in there.  
With his seat in the meat  
And his face in the fish  
And his big hairy paws  
In the buttery dish,  
He's nibbling the noodles,  
He's munching the rice,  
He's slurping the soda,  
He's licking the ice.  
And he lets out a roar  
If you open the door.  
And it gives me a scare  
To know he's in there—  
That Polary Bear  
In our Fridgitydaire.

3. \_\_\_\_\_

Be Glad Your Nose Is On Your Face

Be glad your nose is on your face  
not pasted on some other place,  
for if it were where it is not,  
you might dislike your nose a lot.  
Imagine if your precious nose  
were sandwiched in between your toes,  
that clearly would not be a treat,  
for you'd be forced to smell your feet.  
Your nose would be a source of dread  
were it attached atop your head,  
it soon would drive you to despair,  
forever tickled by your hair.  
Within your ear, your nose would be  
an absolute catastrophe  
for when you were obliged to sneeze  
your brain would rattle from the breeze  
Your nose, instead, through thick and thin  
remains between your eyes and chin,  
not pasted some other place-  
be glad your nose is on your face!

## Dave Dirt Came To Dinner

Dave Dirt came to dinner  
And stuck his chewing gum  
Underneath the table, And it didn't please my Mum  
And it didn't please my Granny  
Who was a sight to see  
When she got up from the table  
With gum stuck to her knee  
Where she put her cup and saucer  
When she sat and drank her tea  
And the saucer and the chewing gum  
Got stuck as stuck can be  
And she staggered round the kitchen  
With a saucer on her skirt  
No, it didn't please my Granny  
But it pleased Dave Dirt!

## Is Your Head on Nice and Tight?

Is your head on nice and tight,  
Do your knee caps fit just right,  
Did you shine up all your skin,  
And bring your belly button in?  
Have you lost a toe or two,  
And could your brain be overdue?  
Please look in the Lost and Found,  
If your ears are not around.  
Students must remember parts,  
Be they books or pens or hearts,  
How can your school day begin  
If you're searching for your chin?

Ladies First

Pamela Purse yelled, "Ladies first,"  
Pushing in front of the ice cream line.  
Pamela Purse yelled, "Ladies first,"  
Grabbing the ketchup at dinnertime.  
Climbing on the morning bus  
She'd shove right past all of us  
And there'd be a tiff or a fight or a fuss  
When Pamela Purse yelled, "Ladies first,"  
Pamela Purse screamed, "Ladies first,"  
When we went off on our jungle trip.  
Pamela Purse said her thirst was worse  
And guzzled our water, every sip.  
And when we got grabbed by that wild savage band,  
Who tied us together and made us all stand  
In a long line in front of the King of the land-  
A cannibal known as Fry-'Em-Up Dan,  
Who sat on a throne in a bib so grand  
With a lick of his lips and a fork in his hand,  
As he tried to decide who'd be first in the pan-  
From back of the line, in that shrill voice of hers,  
Pamela Purse yelled, "Ladies first."

Snow

We'll play in the snow  
And stray in the snow  
And stay in the snow  
In a snow-white park.  
We'll clown in the snow  
And frown in the snow  
Fall down in the snow  
Till it's after dark.

We'll cook snow pies  
In a big snow pan.  
We'll make snow eyes  
In a round snowman.  
We'll sing snow songs.  
And chant snow chants  
And roll in the snow  
In our fat snow pants.

And when it's time to go home to eat  
We'll have snow toes  
On our frosted feet.

Sweet Dreams

It's always been a wish of mine  
    (or should I say a dream)  
To scare my sister half to death  
    And hear her piercing scream.  
That's why I squished four bugs until  
    They all were very dead,  
Then took them to my sister's room  
    And put them in her bed.  
After we had said goodnight,  
    My heart began to pound.  
I waited and I waited, but  
    She never made a sound.  
And then I got so doggone tired  
    I couldn't stay awake.  
I climbed into my own warm bed  
    And shrieked-there was a snake!  
It wiggled, and I leaped and fell  
    And bruised my bottom half.  
Then I heard an awful sound-  
    It was my sister's laugh.

The Crocodile With Toothache

In all my life (I'm eighty four),  
The saddest thing I ever saw  
Was in the swamps of Uskabore-  
The crocodile with toothache.

He whined and wailed; he bit his fist.  
He called for an anesthetist.  
But tell me, how does one assist  
The crocodile with toothache?

When they heard the awful sound,  
The people came from miles around  
And on the riverbank they found  
The crocodile with toothache!

Then from the people standing there,  
Emerged a hero, bold and fair  
He said "Stand back and I'll repair  
The crocodile with toothache!"

The Toothless Wonder

Last night when I was sound asleep

My little brother Keith

Tiptoed into my bedroom

And pulled out all my teeth.

You'd think that I would be upset

And jump and spit and swear.

You'd think that I would tackle Keith

And pull out all his hair.

But No! I'm glad he did it.

So what if people stare.

Now thanks to the Tooth Fairy,

I'll be a millionaire!

Daydream

I'd like to drill the dentist's tooth

And give the nurse a shot.

I'd like to make the grown-ups eat

The foods they'd rather not.

I'd make the teacher study math

And take a real hard test,

Then send my mother to her room

And yell, "Clean up that mess!"

And when they asked me why they're not

Allowed to just say no,

I'd put my hands upon my hips

And say, "Cause I said so!"
