

Parent Advisory Organization

The number one reason to join the Parent Advisory Organization (PAO) is to benefit your child. In doing so, you also help your school. But there are many more advantages:

Get Connected - PAO provides opportunities to meet and network with other parents, teachers, and school administrators. There's no better way to know what's happening in your child's school and community.

Speak Up - PAO can be a way for you to more effectively be the voice for change at your child's school.

Watch Yourself Grow - As a PAO volunteer, you can use your skills and hobbies for a relevant cause while setting a good example for your child and all children in the community.

Give Back - By becoming part of PAO, you will be part of the solution, to help make positive changes in your child's school and in the lives of many children.

Effectively Engage - Spend quality time with your children through PAO programs, events and resources. Not only will you show how much you care about them but will also demonstrate the importance you place on their education
